

# TODDLER BIBLE, PART 1.

*Get your little one to know the Lord Jesus through this toddler Bible book.*

*He was made to teach them early on who Jesus Christ is, who He is for us in all of life. And to teach them through a little story and pictures who He was, Is & will be forever!*

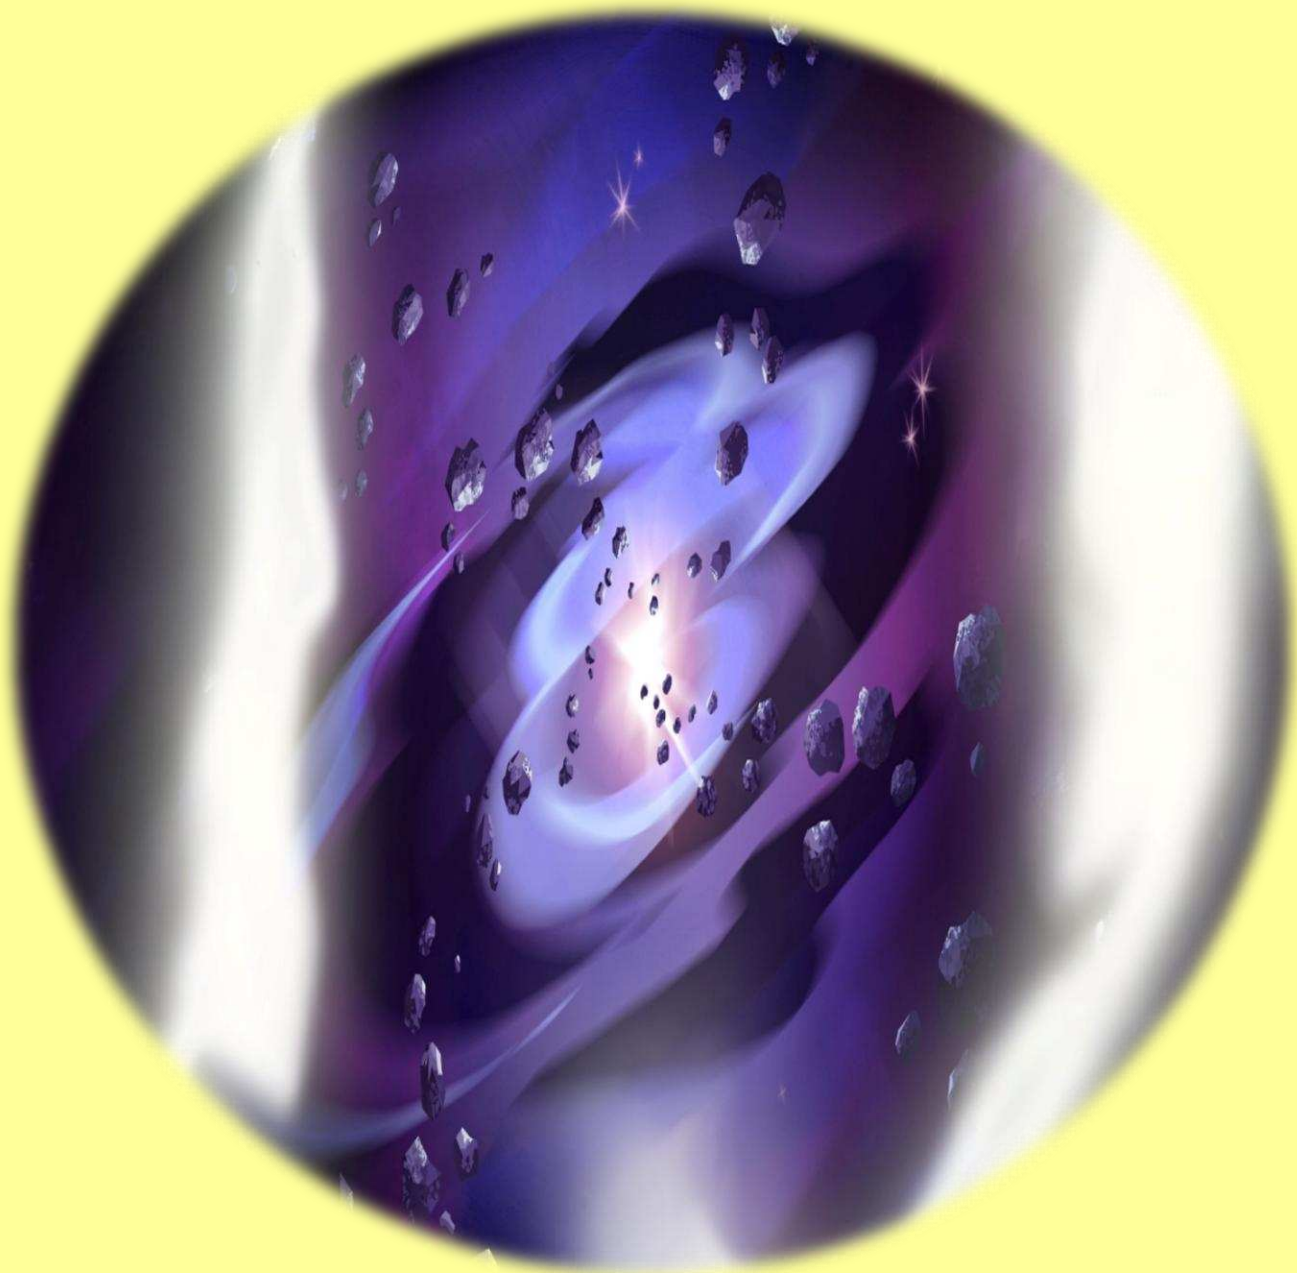

*It is fun to read aloud as parents, and to get to know the Bible stories for the children.*

In the beginning, God saw the earth,  
it was empty and dark. Quiet and not  
pretty.

There was no sun and moon, and no  
trees and water.

God thought I want to make this earth  
a beautiful place, with all the  
trimmings. Where life is on, and may  
be lived on.

Genesis 1 verse 1.

*Then God said on the first day.*

*I want there to be light, and there to be  
dark. God called the light the day, and the  
dark God called the night.*

*Genesis 1 verses 3 to 5.*
