

## *Toddler Bible, part 2.*

*(Enoch & Noah and the Ark)*

*This Toddler Bible, part 2 is about the first teacher Enoch and Noah and the Ark. Enoch was a distant son of Adam and Eve. They had many more children after Cain and Abel. And they also had children, and they also had children. As many as seven times. And then Enoch was born. Enoch grew up to be a man.*

One day, God came to earth and visited Enoch.  
God loved Enoch very much, and Enoch loved  
God very much.

God started talking to Enoch and said. Enoch,  
you must go and talk to the people. They have to  
repent.

Enoch became frightened and frightened. But  
God he said, I don't dare. Because I can't talk  
that well, and I'm afraid that people won't listen  
to me.

Genesis 5 verse 22.

But God reassured Enoch and comforted him.  
Enoch listen....., do not be afraid! I will give you  
strength and protect you.

I will stand by your side every step you take.  
When people don't believe you, or are angry with  
you. Then keep talking because I will send people  
to you, and they will believe your message.

Moses 6 verses 32 to 39.
