

Toddler Bible, part 2.

(Abraham & Isaac)

**This third toddler Bible book is about
the life of Abraham and Isaac. How
they were both tested by God, to see how
much they would love God.**

**This whole story is in the Bible of
Genesis 12 to 22.**

Lots of reading & listening pleasure.

We get to know Abraham as a man who loved God very much, and lived in the city of your.

Ur was only a wicked city, the people in that city were also very wicked and often mocked about God. One day the priests of that city tried to kill Abraham and sacrifice him to their idols. Abraham was so frightened that he began to pray.

God showed Himself in a glow of light to the priests, and they were so afraid that they did not dare to do anything to Abraham anymore.

Then God said to Abraham and his wife, get out of the city of your. Pack all your household goods and belongings and go on a trip.

Abraham found this very exciting and scary, but God reassured him and said. Do not be afraid Abraham, I will go with you and will protect and bless you!

For example, we now see Abraham and his wife Sarah going on a journey to a distant land.

Genesis 12 verse 1 to 3.
