A large, stylized graffiti piece in pink and red with a white outline, set against a blue and green background with stars and a yellow circle containing the letter 'H'. The graffiti is highly decorative and features a mix of colors including pink, red, yellow, and blue. The background has a bubbly, cloud-like texture. There are several stars scattered around the main piece. The word 'STREET ART' is written vertically on the left, 'BOMB...' on the right, '2008' at the bottom left, and 'HAWAII' at the bottom right.
