

## Ring, ring!

Emma rings her bicycle bell.  
“Hi, everyone!” she calls out.  
“What are you playing?”

“Hi, Emma,” Olivia smiles.  
“I like your bike!  
We’re playing cars.  
I’m a police officer!”

“And trucks!” Louis cheers.  
“I’m a truck driver.  
I carry big loads!”

“We’re playing all the vehicles in the city!”  
Arthur shouts.  
“Do you want to play too?”

# The bicycle

This is my *bicycle*. I'm very proud of it.  
I sit on the seat and pedal fast.  
I ring my bell to say "Hello!" or "Look out!"

# The cargo bike

The *cargo bike* is made for carrying larger loads.  
I can sit in the cargo space in the front  
with all my stuff while we ride swiftly along.

# The scooter

Bunny and I are racing on the scooter.  
It's got two wheels and a handlebar.  
Bunny likes when I go fast!

**Petey the Pigeon**  
follows us throughout  
the city. Can you find him  
each time you turn a page?
