

The Christmas lights in the box sway back and forth excitedly. The time has come: it's Christmas! And when it's Christmas, they get to shine as bright and grand as they like.

The Christmas decorations sway just as eagerly. The angel, the nutcracker, the little bird, the Christmas bear, the rocking horse, the gingerbread cookie, and Mrs. Finial can't wait to hang in the tree and enjoy this beautiful season together.

Mr. Pine Tree is waiting, proud and happy. He waves to the young snowman standing outside in the blue moonlight. Then, he winks at Mr. Clock, who can tell it's nearly time to decorate.

Mr. Pine Tree looks at the lights in the box. Soon they'll shine brightly in the dark, magical night.
