

Today's my first day being here.  
My parents say, "No need to fear."  
"Don't leave; don't go. I'm scared," I say.  
"Oh, please come back; don't make me stay!"

My teacher says, "You'll be all right."  
She picks me up and holds me tight.  
I want to go with Mom and Dad.  
I miss my home. I feel so sad!
