

Max needs to hurry because the train is about to leave. "Not so fast, **Dax!** Wait for me!" Max shouts to his little dog.

Phew, Max gets on the train just in time.
Oh no, what's this? There's a dog show in the railroad car!
How will he ever find **Dax**?

"I'm looking for my dachshund. Have you seen him?" Max asks the presenter.
But presenter Fritz doesn't hear him and roars through his microphone:
"And the winner is . . . Mimi! Applause!"
