
Poppy, have you finished your dinner?
Yes, I have.
No, you haven't.
Yes, I have.

Yes, them.
I don't eat those.
But you have to eat your peas.
Why?
Because they're good for you.
No, thank you.

Mom, Poppy's not eating her peas.
Poppy, you have to eat your peas.
Why?
Because they're good for you.
No, thank you.
If you don't eat your peas, no dessert.
Okay.
I mean it.
So do I.
