

**Deer** is sleeping quietly,  
curled up in the tall grass.

*Just pet the dots on her back  
and wake her up gently.*

**Wake up, little one!**

**Deer** begins her day  
by exercising. She jumps  
and jumps through  
the field of flowers.

**Squirrel** is resting,  
her bushy tail close to her.

*Just tickle her ears very  
softly to wake her up.*

**Wake up, little one!**
