

Hello, Alligator. You're visiting the United States.
What instrument are you learning to play?
Those buttons are so shiny! Is that a **saxophone**?
Do you have to **blow** hard?

Will you play another song for us?

Hi, Dog. Are you traveling to Germany?
Such festive music! Your instrument has
keys and buttons. Is that an **accordion**?
Do you **press** the **keys** with your **fingers**?

Will you make more happy music for us?
