

Cat is taking a nap  
on the windowsill.

Bye, Cat, we're going  
for a bike ride!

Which animals will we see along the way?

Three tit birds are playing  
in a puddle. That's how  
they wash themselves.

Enjoy your bath,  
little tit birds!

Between the rustling leaves,  
Squirrel spots a tasty acorn.

Go ahead and  
grab it, Squirrel!

What a mess in the street ...  
Seagull is cleaning up,  
bite by bite.

Good job, Seagull!

*Buzzzzzzz ...*

Bee is zooming by.  
She takes care of all  
the flowers in the garden.

Have a lovely day, Bee!

Run, Doggy!

There goes Doggy, trotting by  
on his short legs. He's playing  
with a stick from the park.

*Wheeee!*  
Spider swings by,  
hanging by a thread.  
He's making a new  
web to live in.

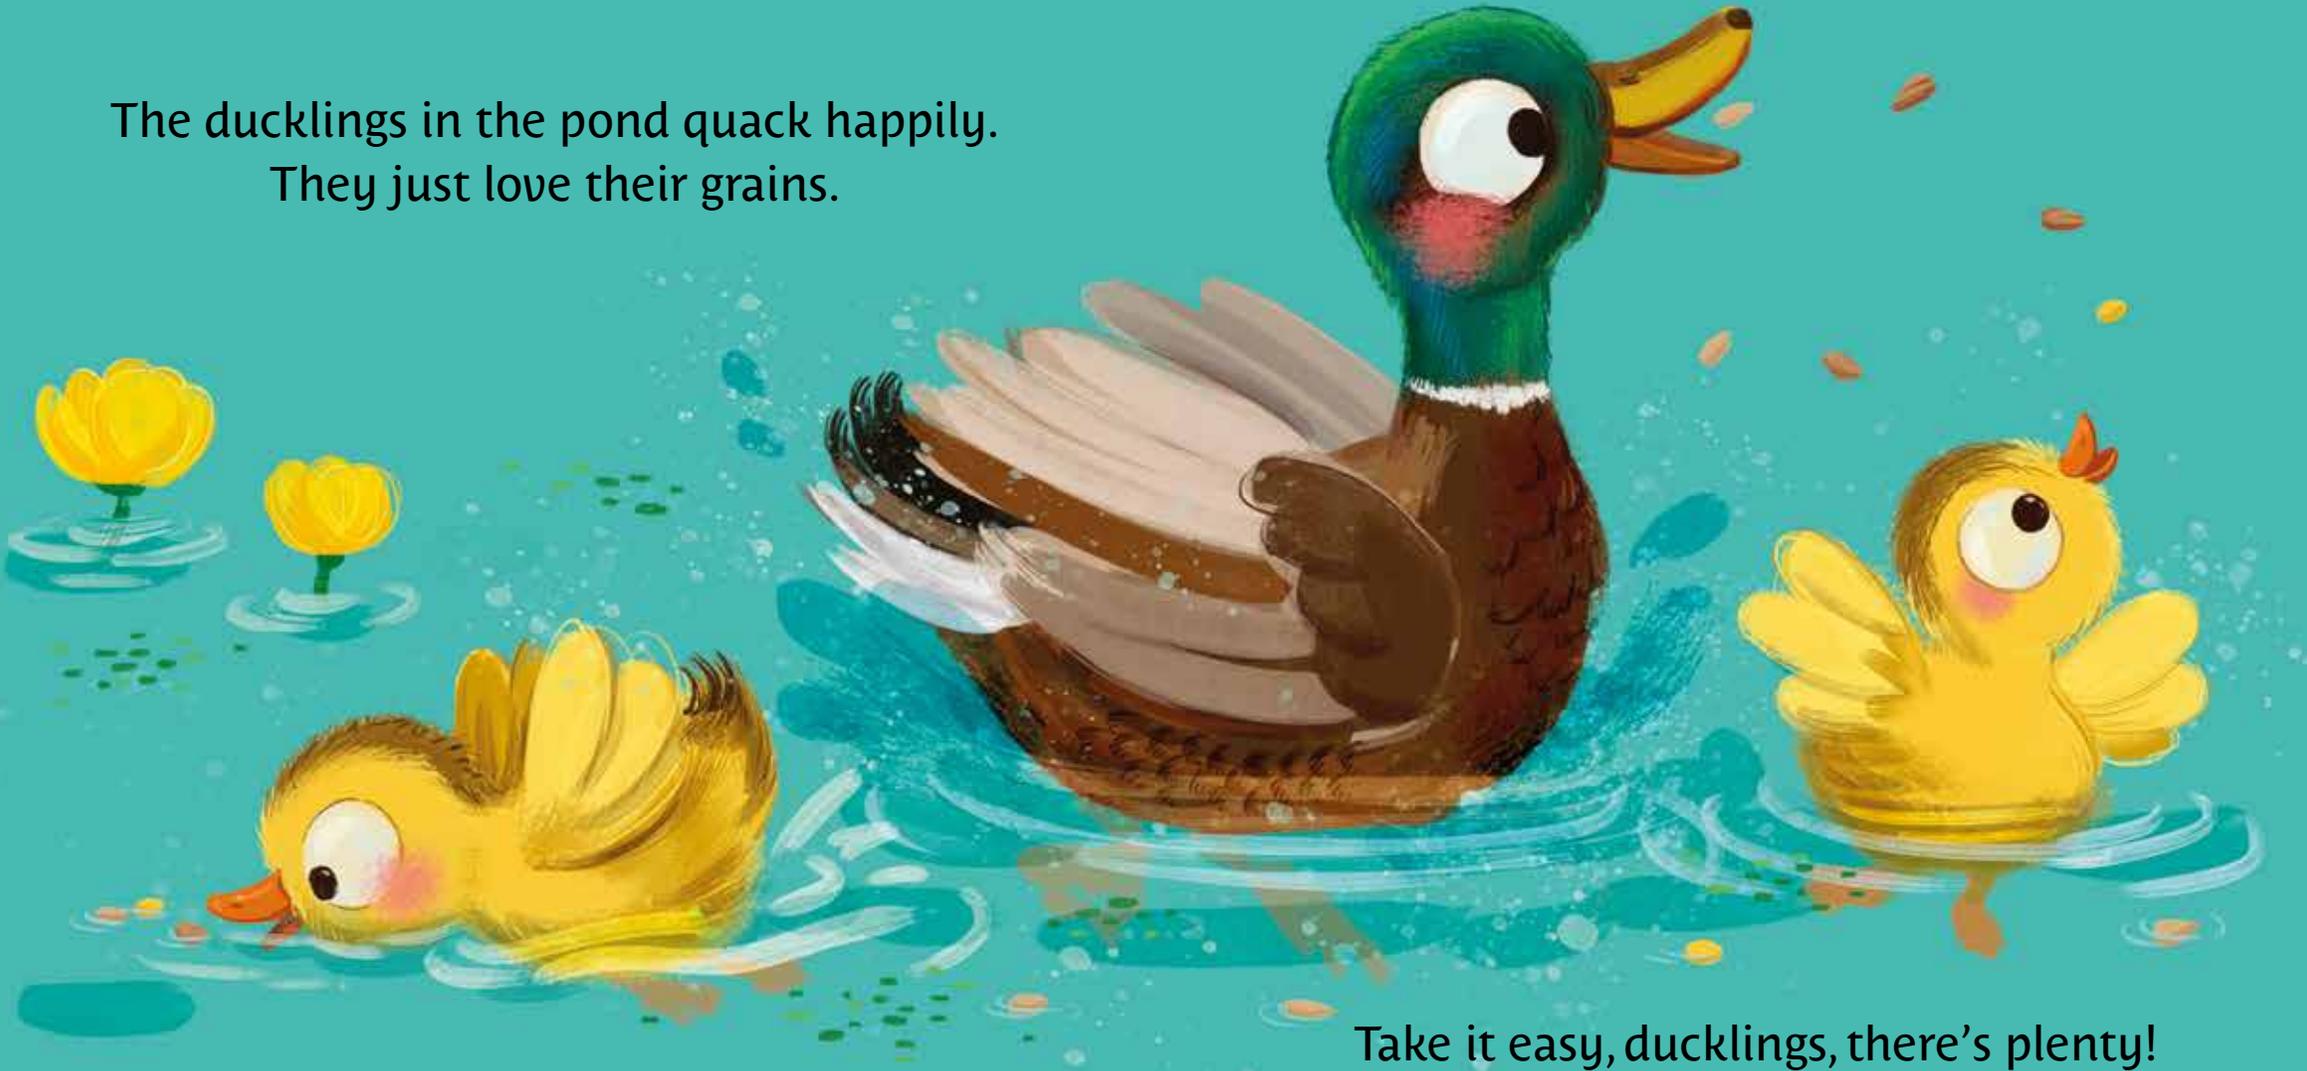

Well done, Spider!

Look, tadpoles are swimming in the pond!  
Some are already using their little legs.

Keep going, tadpoles!

The ducklings in the pond quack happily.  
They just love their grains.

Take it easy, ducklings, there's plenty!

Hello, Cat, I'm home!

*Purr ... purr ...*

Cat purrs and nuzzles up to me.

Of all the animals  
in my neighborhood,  
you're my favorite!
