

Oliver likes to sleep.  
He's always dreaming  
of jumping higher.

One day, a strange voice  
wakes him up. "The chair  
is high, but I'm higher!"  
says the table.

"Tables don't talk, but all right,  
if you say so . . . Here I come!"  
replies Oliver. And he jumps  
onto the table.
