

Bronto and Little Dino are best friends.  
They often explore together.  
Little Dino sits on his big friend's head,  
so he can see everything. The world is  
so beautiful! And Bronto likes listening  
to the funny stories his little friend tells.  
Little Dino always has something to say.  
His mouth never stops moving.

**ROOOOOAAAAAR!**

What's happening?!

Suddenly the ground  
starts to shake.

Everything trembles.

**ROOOOOAAAAAR!**

Little Dino holds on tight,  
so he doesn't fall down.
