

Randy can't sleep . . .  
Her stuffies are missing!

Today, she was **RANGER RANDY**.  
Together with her Big Five stuffies,  
she went on safari.  
It was a wild adventure.

She looks around.  
*Everything looks spooky at night,  
Randy thinks. Without Elephant,  
I don't feel safe in the dark.  
Where's Elephant?*

With trembling legs,  
Randy searches the room.  
"Elephant, where are you?"

She looks behind the pillow on her bed  
and underneath the blanket.  
Elephant is nowhere to be found.  
Then, Randy looks underneath the chair.  
*What does she see?*
