

Today is a very special day.
Lottie jumps out of bed. “It’s my birthday!” she laughs.
“It’s my birthday too!” shouts Luke.
“You and me, me and you . . . It’s our birthday, us two!” they sing.

Dad and Mom give Luke and Lottie a big birthday hug.
And a beautiful birthday crown!
"You're turning three, aren't you?" Dad teases.
"Four!" Luke and Lottie shout in unison.
"Yesterday we were three," Lottie says cleverly.
"But today . . . we're four!"
